

Giving our children of today the
foundation they need for
tomorrow

True North Academy Snow Day Policy

When the buses in the Simcoe District West Zone are cancelled; True North Academy will be open.

We will only close the school if other schools in the Simcoe District West Zone are closed. You will be notified via E-mail, Remind, Facebook and Twitter if our school is closed.

Otherwise our teachers will try their best to continue on with the lessons for that day. We will not teach new curriculum if we do not have at least half the students present. This will be determined for each grade.
