True North Academy Uniform Policy

Students are to wear a navy or white plain shirt that has the TNA logo. If the students want to wear a hoodie in the classroom and school it is to be plain white or navy. It does not need to have a logo. An athletic shirt with TNA on it will also meet the uniform requirement. Students may wear their choice of clothing on Fridays when they bring in a dollar to support Godfrey. Students who do not wish to contribute to our sponsored child must be in uniform on Fridays.

Our Uniform Policy will be in effect for all field trips including athletic events. If the field trip or athletic events falls on a Friday, the Policy should be followed. There will be an option to purchase athletic shirts with the TNA logo from our uniform supplier.

It is the Board's desire that all families would respect this policy and ensure that their children arrive at school properly dressed. In the cases where a student is not in compliance with the policy a parent will be contacted and they will be given the choice to bring in a uniform shirt or pay \$5.00. It is the Board's position that parents are aware of the uniform policy and it is their responsibility to ensure that their child is wearing the proper uniform regardless of age.

We know that many parents have not ordered new school shirts until the policy was reviewed. An order will be placed on October 15th which will give parents time to receive their new uniform attire before beginning enforcement of the new policy on November 1st. If you are a new family or your children have outgrown their shirts, please continue with plain white or navy until you receive your uniform order.
